**Competent Person's Statement**

*The information in this report that relates to Exploration Targets, Exploration Results, Mineral Resources or Ore Reserves is based on information compiled and/or thoroughly reviewed by Mr Robert Waugh, a Competent Person who is a Fellow of the Australasian Institute of Mining and Metallurgy (AusIMM) and a Member of the Australian Institute of Geoscientists (AIG). Mr Waugh is Managing Director and a full-time employee of Musgrave Minerals Ltd. Mr Waugh has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Mr Waugh consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.*

**About Musgrave Minerals**

*Musgrave Minerals Ltd is an active Australian base and precious metals explorer with a large exploration footprint in the Musgrave Province in South Australia, projects in the Southern Gawler Craton of South Australia and a new nickel-copper sulphide project in the highly prospective Fraser Range region of Western Australia. Musgrave has a powerful shareholder base with four mining and exploration companies participating as cornerstone investors.*
