Notwithstanding anything else in these Rules or in the terms of any Option, an Option may not be, granted, or exercised if to do so:

- (a) would contravene the Corporations Act or the Listing Rules; or

7.2 Market and Exercise Price

The Company will provide to a Participant upon request, within a reasonable time, either verbally or in writing, details of the current market price (in Australian dollars) of the Shares and details of the Exercise Price in relation to Options held by that Participant.

8. Entitlement

- (a) Each Option entitles the holder to subscribe for and be granted, credited as fully paid, one Share.
 - (b) The Exercise Price shall be as determined by the Board (in its discretion) and specified in the Invitation.
 - (c) Subject to these Rules, the Company shall issue Shares on exercise of Options in accordance with the Listing Rules.
 - (d) Shares issued on the exercise of Options will rank equally with all existing Shares in the capital of the Company from the date of issue of those Shares.
-

9. Exercise of Options

- (a) An Option is exercisable by the Participant lodging with the Company Secretary:
 - (i) a notice of exercise of that Option in the form specified in the Invitation;
 - (ii) the tax file number for the Participant; and
 - (iii) payment for the total Exercise Price.
- (b) If a Participant has died, the Participant's legal personal representative will stand in the place of the Participant for the purposes of clause 9(a) subject only to prior production to the Company of such evidence as would be required to permit the legal personal representative to become registered as a shareholder in respect of the Shares held by the Participant.
- (c) An Option must be exercised (if at all) not later than its Expiry Date and, subject to this clause 9, may only be exercised at any time after the Option has vested. The Board may determine (in its absolute discretion) any further conditions of exercise consistent with these Rules that apply to an Option. The exercise of some Options only does not affect the Participant's right to exercise other Options at a later time. If the Participant exercises less than all Options appearing in the Option holder's holding statement, then the Company will cause a replacement holding statement to be issued.
- (d) The Board may from time to time determine any time periods or performance hurdles after which the Options granted will vest in the Option holder and the percentage of Options granted which will vest at each particular time.
- (e) An Option held by a Participant will lapse upon the first to occur of:
 - (i) its Specified Expiry Date; or

- (ii) any vesting condition upon which an Option has been granted being unable to be met; or

- (iv) the Board making a determination that the Participant has acted fraudulently, dishonestly or in breach of the Participant's obligations to the Company or any Associated Body Corporate; or
- (v) on such other date for other prescribed circumstances as detailed in the Option terms and conditions in the Invitation.

- (a) This rule is only applicable if the Board has determined in its absolute discretion to allow the Participant to use the facility set out in this clause 10.
- (b) If a Participant wishes to exercise some or all of their Options, it may elect to pay the Exercise Price by using the cashless exercise facility provided for under this clause 10 (**Cashless Exercise Facility**), when giving its notice of exercise of Options to the Company.
- (c) The Cashless Exercise Facility entitles a Participant to set-off the Exercise Price against the number of Shares which the Participant is entitled to receive upon exercise of the Participant's Options. By using the Cashless Exercise Facility, the Participant will receive Shares to the value of the surplus after the Exercise Price has been set-off.
- (d) If a Participant elects to use the Cashless Exercise Facility, the Participant will only be issued that number of Shares (rounded down to the nearest whole number) as are equal to the value to the difference between the sum of the Exercise Price otherwise payable for the Options and the then Market Value of the Shares at the time of exercise.

11. Change in Control

11.1 Board discretion

Notwithstanding any other terms contained in these Rules, upon the occurrence of a Change in Control Event the Board may determine (in its discretion):

- (a) that the Options may vest and be exercised at any time from the date of such determination, and in any number until the date determined by the Board acting bona fide so as to permit the holder to participate in any change of control arising from a Change in Control Event provided that the Board will forthwith advise in writing each holder of such determination. Thereafter, the Options shall lapse to the extent they have not been exercised; or
- (b) to use their reasonable endeavours to procure that an offer is made to holders of Options on like terms (having regard to the nature and value of the Options) to the

terms proposed under the Change in Control Event in which case the Board shall determine an appropriate period during which the holder may elect to accept the offer and, if the holder has not so elected at the end of that period, the Options shall immediately vest and become exercisable and if not exercised within 10 days, shall lapse.

11.2 Defined terms

For the purposes of this clause 11 "Change in Control Event" means:

- (a) the occurrence of:
 - (i) the offeror under a takeover offer in respect of all Shares announcing that it has achieved acceptances in respect of 50.1% or more of the Shares; and
 - (ii) that takeover bid has become unconditional (except any condition in relation to the cancellation or exercise of the Options); or
- (b) the announcement by the Company that:
 - (i) Shareholders have at a Court convened meeting of shareholders voted in favour, by the necessary majority, of a proposed scheme of arrangement under which all Shares are to be either:
 - (A) cancelled; or
 - (B) transferred to a third party; and
 - (ii) the Court, by order, approves the proposed scheme of arrangement; or
- (c) the occurrence of the sale of all or a majority of the Company's main undertaking; or
- (d) at the absolute discretion of the Board, the occurrence of a sale of at least 50% of the Company's main undertaking.

12. Transfer

An Option is personal to the Participant to whom it was granted, and the Participant may not sell, transfer or otherwise dispose of, or make a declaration of trust in respect of, it, without the prior written consent of the Board, and provided that the transfer of the Option complies with the Corporations Act.

13. Quotation of Options and Shares

Options will not be listed for quotation on ASX. However, the Company will make application for official quotation of Shares issued on the exercise of Options to ASX and to each other stock exchange on which Shares are listed at the time.

14. Future Issues of Shares

14.2 Bonus Issues

If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment):

- (a) the number of Shares which must be issued on the exercise of a Option will be increased by the number of Shares which the Participant would have received if the Participant had exercised the Option before the record date for the bonus issue; and
- (b) no change will be made to the Exercise Price.

15. Reorganisation of Capital

If there is any reorganisation of the issued share capital of the Company, the rights of the option holder may be varied to comply with the Listing Rules which apply to a reorganisation of capital at the time of the reorganisation.

16. Notices

Notices may be given by the Company to the Participant in the manner prescribed by the constitution of the Company for the giving of notices to members of the Company and the relevant provisions of the constitution of the Company apply with all necessary modification to notices to Participants.

17. Right to Accounts

Where expressly requested, Participants will be sent all reports and accounts required to be laid before Shareholders in general meeting and all notices of general meetings of Shareholders. Participants will not have any right to attend or vote at those meetings.

18. Company's Rights not Waived

- (a) The Company's right to terminate or vary the terms of employment or engagement of any Participant shall not be prejudiced in any way by the Company or any Participant participating in the Plan or anything contained in these Rules or both. Further, participation in the Plan, the rights or benefits of a Participant under these Rules or the inability or restricted ability of a Participant to exercise an Option or any of them, shall not be used as grounds for granting or increasing damages in any action brought by any Participant against the Company whether in respect of any alleged wrongful dismissal, termination or otherwise.

- (b) None of the Company, its directors, officers or employees represents that the Company's Share price will attain, maintain or exceed the Exercise Price. A Participant who chooses to exercise any Option does so at his own risk in that he may suffer financial detriment if the Company's share price falls.

19. Governing Law

This Plan and these Rules shall in all respects be governed by, and shall be construed in accordance with, the laws of Western Australia.

20. Severance

If any provision in these Rules is void, voidable by any party or illegal, it shall be read down so as to be valid and enforceable or, if it cannot be so read down, the provision (or where possible, the offending words) shall be severed from these Rules without affecting the validity, legality or enforceability of the remaining provisions (or parts of those provisions) of these Rules which shall continue in full force and effect.

21. Suspension, Termination or Amendment of the Plan

- (a) The Board may suspend or terminate the Plan at any time, in which case the Company shall not make any further grants of Options under the Plan during the suspended or terminated period. However, during that period the Board shall otherwise continue to administer the Plan in accordance with these Rules until all Options have been exercised or expired.
- (b) The Plan may be amended at any time by the Board, which has the power to determine procedures from time to time for administration of the Plan consistent with these Rules and resolve conclusively all questions of fact or interpretation arising in connection with the Plan subject to any requirements of the Listing Rules and the Corporations Act.
